On September 5, 2024, the Debenture holders exercised their conversion rights amounting to Baht 10 million received 555,555,554 ordinary shares from their conversion. The Conversion Price is not less than 90 percent of the weighted average price of the Company's shares trading on the Stock Exchange of Thailand for not less than 7 consecutive business days but not exceeding 15 consecutive business days prior to the date that the Debenture holders exercise their conversion rights. Therefore, it does not meet the criteria to prohibit the sale of shares within 1 year from the date of receiving the convertible securities (Silent Period). The Company may determine the conversion price of convertible debentures lower than the par value of the Company, but not less than Baht 0.01 per share, which has been approved by the EGM 1/2023 on November 28, 2023. The weighted average price is calculated from the volume weighted average price of the Company's shares for each consecutive business days (Floating Conversion Price). The market price and conversion price will be calculated with three digit decimals. Details of convertible price calculation using data from [www.setsmart.com](http://www.setsmart.com) are as follows:
