To: The President  
The Stock Exchange of Thailand

Samart Digital Public Company Limited arranged the Public Presentation for providing information to investors and concerning persons on November 21, 2024, at 11.00 a.m., at Hall of Fame, Mezzanine floor, Software Park Building, 99/41 Moo 4, Chaengwattana Road, Klong Gluar, Pak Kred, Nonthaburi 11120. The Public Presentation was held because the Company's security was posted "CB" Caution as the shareholders' equity from the financial statement for the three months and nine months ended September 30, 2024 is less than 50% of paid-up capital.

The COVID-19 pandemic has affected many businesses and industries, especially the Chipset and Semiconductor industry that the manufacturers are unable to produce enough products to meet the demand. As a result of preventive measures and control the outbreak of COVID-19 of each country that require work from home and online education including the emergence of new technologies such as electric cars, 5G technology, it has caused the increase in demand of electronic devices. There is a mismatch between production capacity and demand, significantly affect the financial position performance and current and future cash flows of the Company and its subsidiaries. Especially the income from the Digital Network business that did not meet the target due to the delay in sales and installation of communication network equipment. Therefore, the Company has set guidelines for solving problems and developing strategies both in business and financial as follows:

### **Business Measure**

- Focus on providing services in many industrial groups, such as Government Customers, Disaster Prevention and Mitigation, Energy and Utilities Business, etc.
- Manage the work system including cost control in various aspects to be more efficient.

### **Financial Measure**
